

BIKE FIT

We ensure a perfect Bike fit

- a | Center of crank arm to the top of the saddle
- b | Nose of the saddle to the center of the handlebars
- c | Top of handlebars to the center of the wheel

A great fit matters

We can provide a Bike Fitting Service.

Filling out this form you'll find a perfect bike, exactly like yours,

But, don't worry if you don't have these measurements, your height will be enough to provide the right frame size for you.

When you arrive for the trip, our guides are ready to make the final adjustments, for a perfect fit and comfortable rides.
