THE DOLOMITES

Skiing in the Dolomites is a unique experience.

The possibilities are many and everywhere you can practice downhill, cross-country skiing, snowshoes.

We offer two areas where to ski about the:

1. **Fiemme Obereggen area** are superlative emotions.
2. **Sella Ronda** astonishing tour

THE FIEMME-OBereggen SKI AREA

It is a ski area made up of five ski areas: alpine on the snow of Alpe Cermis, the Ski Center Latemar (Obereggen-Pampeago-Predazzo), Bellamonte-Alpe Lusia, Passo Lavazè-Passo Oclini and Passo Rolle, which ensure over 100 km of downhill slopes, 50 lifts.

THE FIEMME OBereggen SKIPASS

The Val di Fiemme-Obereggen ski pass allows you to practice alpine skiing on the snow of Alpe Cermis, the Ski Center Latemar (Obereggen-Pampeago-Predazzo), Bellamonte-Alpe Lusia, Passo Lavazè-Passo Oclini and Passo Rolle, which ensure over 100 km of downhill slopes, 50 lifts.

SUPERSKI DOLOMITES

It offers 450 lifts and 1,246 kilometers of slopes, about half of which are directly connected to each other, and all of which can be used with a single ski pass. Added to this are 1160 kilometers of slopes (97%) prepared for artificial snow, where skiing is guaranteed from December to April even without snow. The district is made up of 12 ski areas:

1. Cortina d'Ampezzo
2. Kronplatz
3. Alta Badia
4. Val Gardena - Alpe di Siusi
5. Val di Fassa - Carezza
6. Arabba - Marmolada
7. Three Peaks, since 1975
8. Val di Fiemme - Obereggen, since 1976
9. San Martino di Castrozza - Passo Rolle, since 1976
10. Rio Pusteria - Brixen, since 1979
11. Alpe Lusia - San Pellegrino, since 1984
12. Owl, since 1993

The connected areas are Alta Badia, Val Gardena (except Alpe di Siusi), Val di Fassa (except Carezza and Catinaccio), Arabba and Marmolada.

SUPERSKI SELLARONDA or 4 Passes tour

skitour among the most astonishing mountains in the world.

The "Superski Sellaronda ski tour" or "4 passes tour" is an exciting ski tour of almost 40 kilometers to be done in one day.

The "4 Passi tour" or more commonly "Superski Sellaronda ski tour", is a must for all lovers of alpine skiing. This is an easily accessible panoramic tour around the Sella Dolomite massif, without ever taking your skis off your feet.

The "Superski Sellaronda ski tour" has to be imagined as a pleasant skiing through the most important Ladin valleys: Val Badia, Val Gardena, Val di Livinallongo and Val di Fassa.

Starting points might be: Selva di Val Gardena, Corvara, Campitello, Canazei and Arabba.
