INSURANCE

Please note that individual travel insurance is not included in the tour price and all medical and other expenses involved are paid by the client.

Participants are therefore strongly advised to take out personal insurance.

EXTENSION of the basic program

The program can be extended by imagining, for example,

1. more nights in the ski areas
2. one or two nights in a city like Verona, VBenezia, Milan
3. visits to large high-value outlets**: a nice experience
4. experiences related to food and wine

**They are located on the outskirts of large cities and are often so large that they resemble small towns. They are the outlets, the shopping citadels, with international fashion brands, offering main with bars and quality restaurants, where it is possible to save all year round, not just during the sales season, with discounts that almost always fluctuate between 30 and 70% compared to the list prices.
